

Colaraz

Global Educator & Employer
Collaboration Platform

Wipro and Colaraz (an Ed-Tech startup) bring to you an exciting and cutting-edge exchange platform for students, professionals, universities and employers.

The platform is designed as a secure, Cloud-based SaaS model for easy and impactful collaboration.

Key Takeaways

Offer students internship, scholarship, mentoring and job opportunities across the world

Keep your alumni engaged - for their powerful connections and generous endowments

Reinforce your brand to potential talent recruiters by capturing and showcasing the successes of your alumni

Provide a social network that is secure and suitable for collaboration

Provide lifelong learning, continuing education and executive and professional education programs to students, alumni and non-traditional audiences

Our robust on demand services comprise of the following functionalities:

Virtual Placement Center: Post and manage industry-posted jobs, instantly reaching students with matched skills. Schedule employer campus visits and notify students.

Receive Scholarships: Connect thousands of need and merit based scholarships established by alumni and employers.

Alumni Programs: Keep the alumni connected to the institution and the current students for their potential powerful connections, mentoring, recommendations, and generous endowments.

Student Collaboration: Build a secured institution social network with groups, blogging, micro blogging, documents and media sharing, and networking features.

eLearning (LMS): With eLearning (LMS), manage online free and paid certificate courses, which enable institutions to be online ready!

Virtual and Hybrid Learning: With 'Colaraz Meet' feature, conduct LIVE classes, with video, screen share, password protection, and group chats.
