

End-to-end client lifecycle management solution

Post the global financial crisis, regulators have mandated more rigorous KYC process on industry participants to ensure prudent risk management as well as prevention of financial crimes. Wipro's robust and growing Client Lifecycle Management (CLM) footprint makes us a leading service provider for KYC services in the industry. Client Lifecycle Management as a service integrates client on-boarding, off boarding, KYC, regulatory due diligence, data maintenance and data quality services.

Key takeaways

Wipro has partnered with a leading CLM tool for end to end case management

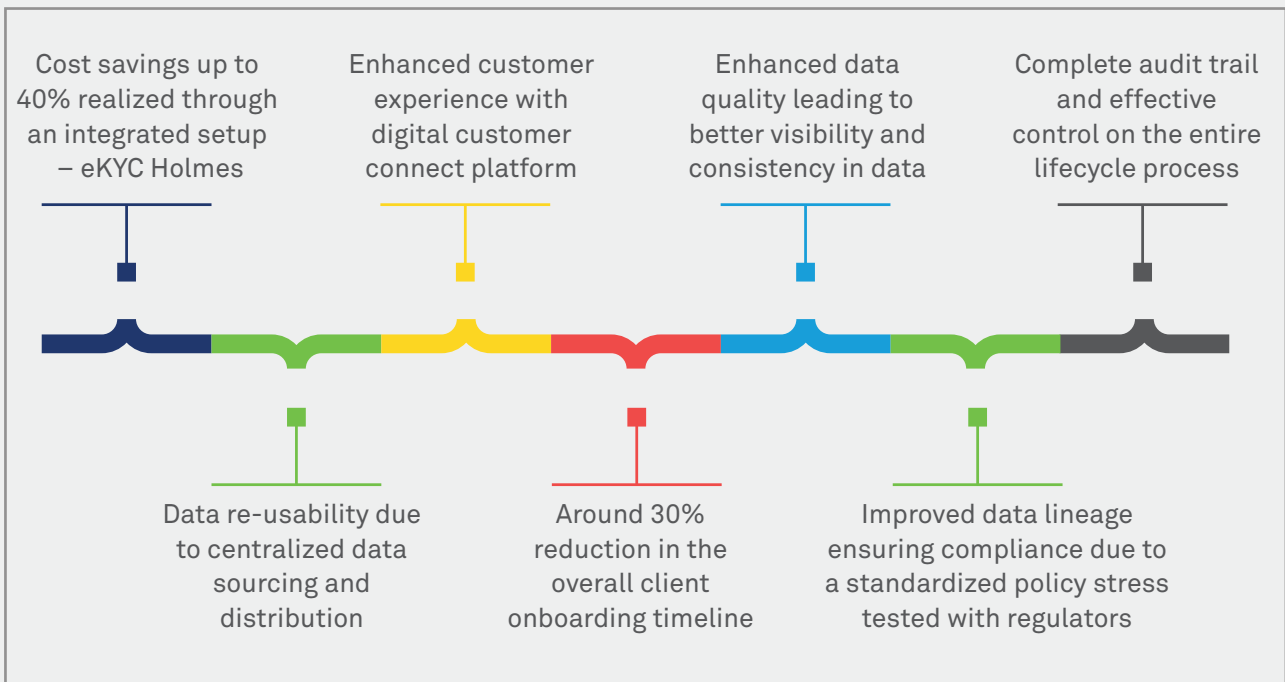

We leverage our proprietary platform, eKYC Wipro HOLMES™ to embed AI based robotics automation to provide around 40% cost benefits

Integrating services to maintain consistent high quality
