## **Wipro Completes Major Cloud Transformation for ManpowerGroup**

**EAST BRUNSWICK, N.J. | BENGALURU, India – Feb. 28, 2024:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, today announced that it has completed the migration of ManpowerGroup's (NYSE: MAN) largest data centre in Europe to Microsoft Azure.

Wipro FullStride Cloud facilitated the transformation to help simplify ManpowerGroup's business operations by moving this data centre to a shared services product platform. The project entailed migrating more than 150 mission critical IT applications across 15 countries in Europe onto the Azure platform. Services utilized include Azure SQL Database, Virtual Machines, Storage, Networking and Security.

In addition, Wipro established governance frameworks covering security and compliance. By standardizing on the Azure platform, ManpowerGroup will gain an enterprise-grade foundation to drive innovation, scalability, and sustainability. Completed in under a year, the transition to a more efficient cloud-first environment will deliver improved sustainability benefits including a reduction of ManpowerGroup's carbon footprint.

**Srini Pallia, Chief Executive Officer - Americas 1, Wipro Limited** said, "The completion of a project of this magnitude is testament to our deep cloud expertise and our long-standing partnership with Microsoft.
