The New York Stock Exchange’s board of directors approved significant changes in its listing standards in 2002, aimed at restoring investor confidence by strengthening corporate governance practices. Companies listed on the NYSE must comply with these Corporate Governance standards which are codified in Section 303A of the NYSE Listed Companies Manual. Though some of the requirements are not applicable, the company’s governance policies and practices are generally in compliance with the practices applicable to domestic companies though some of the practices may be different from domestic company’s practices as explained in Para 303A.11.

Listed companies that are foreign private issuers (as such term is defined in Rule 3b-4 of the Securities Exchange Act, 1934, as amended (the “Exchange Act”) are permitted to follow their home country practices in lieu of the provisions of Section 303A, except that such companies are required to comply with the requirements of Sections 303A.06, 303A.11 and 303A.12 (b) and (c).

Although the Company’s required home country standards on corporate governance may differ from the NYSE listing standards, the Company’s actual corporate governance policies and practices are in compliance with the NYSE listing standards applicable to domestic companies.

Because our securities are listed on a national securities exchange, we are required to provide a concise summary of any significant ways in which our corporate governance practices differ from those followed by domestic companies under the listing standards of that exchange. Being a foreign private issuer, we are permitted to follow home country practice in lieu of the provisions of Section 303A of the NYSE Listed Company Manual, except that we are required to comply with the requirements of Sections 303A.06, 303A.11 and 303A.12(b) and (c) thereof. Some of the key differences between the requirements in India as per currently applicable listing agreement and those as per NYSE Listing requirements are as follows:

- Listing Agreement with Indian stock exchanges require 50% of the Board of Directors to be independent directors in the case of executive Chairman of the Board (it is 33.33% in other cases) while NYSE listing requirements specify that a majority of the Board to consist of independent directors.
• Listing Agreement with Indian stock exchanges requires that a majority of the members of the Audit Committee be independent directors while the NYSE Listing specifies that all the members of the Audit Committee must be independent directors.

• The requirement for a Nomination Committee and Compensation Committee are not compulsory as per Listing Agreements with Indian stock exchanges. The Listing Agreements with the Indian stock exchanges do not require independent compensation committees. These are mandatory requirements as per NYSE Listing requirements. A Shareholders Grievance committee is mandatory under Listing Agreements with stock exchanges and is not a requirement under NYSE Listing requirements.

• Criteria for determining directors to be independent also differ between the two country’s Listing requirements.

• Evaluation of Committees of Directors as against evaluation of the Board as a whole or part evaluation of its directors.

The other key practices followed in the home country as per home country laws are disclosed elsewhere in this report.

Through the date hereof, no event has occurred in the Company that would necessitate any notification to the NYSE pursuant to this requirement.

(c) Each listed company must submit an executed Written Affirmation annually to the NYSE. In addition, each listed company must submit an interim Written Affirmation as and when required by the interim Written Affirmation form specified by the NYSE. (303A.12(c))
