Item 8

Our Employee Stock Option (ESOP) Plans and Restricted Stock Unit Plans (RSUs) are proposed to be amended to bring it in line with the changes in various statutes as amended from time to time and for other administrative reasons and will be applicable to all employees of the Company and the employees of subsidiaries/Holding Companies. These changes have been approved by the Board Governance and Compensation Committee on June 4, 2007 and by the Board of Directors vide Circular resolution dated June 6, 2007. The proposed changes are explained with full details of the variation and rationale therefor in the following paragraphs.

- i. Fringe Benefit Tax (FBT) on Esops/ RSUs : As per the Income Tax Act 1961, FBT is payable by the Company on allotments of shares on or after April 1, 2007 (arising from exercise of options/RSUs). The Act further provides for recovery of such FBT from the employees. To this extent the Act also provides for a modification in the ESOP/RSU plans so as to recover FBT from the employee, to the extent the employer is liable to pay such FBT under the Act.

It is now proposed to amend all the existing the Esop and RSU plans namely Wipro Employee Stock Option Plan 1999, Wipro Employees Stock Option Plan 2000, ADS Stock Option Plan 2000, Wipro Restricted Stock Unit Plan 2004, ADS Restricted Stock Unit Plan 2004 and Wipro Restricted Stock Unit Plan 2005 to authorise the Board Governance and Compensation Committee to determine the amount of withholding, deduction or recovery, if any, of such tax from the Optionee and also the modalities for recovery.

- ii. Section 409A of Internal Revenue Code of US (IRC) : As per section 409A of IRC (introduced through the Jobs Creation Act of 2004) applicable to our employees who are tax assesses in United

States, the maximum period allowed for exercise of a RSU is 2 and ½ months from the end of the financial year of vesting of such RSUs. A plan which has an exercise period longer than 2 and ½ months from the end of the financial year of vesting will be subject to additional tax in the hands of the employees. RSUs granted to employees who are US tax assesses are affected by this change in law. If we do not change the Plans, some of our employees who are US tax assesses may be adversely affected. In order to remove such hardship, it is proposed to amend the plan to restrict the exercise period to a maximum of 2 and ½ months from the end of the financial year in which the RSUs vest. This amendment is applicable to only the RSU and ADS RSU plans namely Wipro Restricted Stock Unit Plan 2004, ADS Restricted Stock Unit Plan, 2004 and Wipro Restricted Stock Unit Plan, 2005.

- iii. Term of Option/ Plan : In order to align the different periods in the Plan, it is proposed to make the maximum term of the option limited to the term of the plan. Wipro Employee Stock Option Plan 1999, Wipro Employees Stock Option Plan 2000, Wipro Restricted Stock Unit Plan 2004, and Wipro Restricted Stock Unit Plan, 2005 are proposed to be amended to give effect to these changes. Term of Plan of Wipro Employees Stock Option Plan 2000 is expiring in 2010. In order to make the pool of options available under the plan for another 10 years the term of the Plan is proposed to be increased by another 10 years, i.e., expiring in 2020.

The above changes will be applicable to all the employees including the employees of the subsidiaries/holding companies and to employees who may granted options/RSUs equal to or exceeding 1% of the issued capital (excluding outstanding warrants and conversions) of the Company at the time of grant of options/RSUs who will also be covered by these ESOP and RSU plans of the Company. All the other terms and conditions of these Esop and RSU plans shall remain unchanged. In case the Esops and RSUs are made available to the Directors of the Company (other than promoter Directors), then such Directors may be deemed to be interested in this resolution.

The Board of Directors recommend the passing of the proposed resolution.

Item 9

It will also be applicable for employees of Associate Companies and to Business Associates subject to prior approval of SEBI/other statutory authorities as may be applicable.
- c. Subject to the minimum and maximum vesting periods of a Restricted Stock Unit as set out in the Wipro Employee Restricted Stock Unit Plan 2007, the vesting period in respect of any holder or a category of holder shall be determined by the Board Governance and Compensation Committee of the Board of Directors of the Company from time to time.
- d. Term of Plan for the purpose of Grant : The Plan shall become effective upon approval by the Shareholders. It shall continue in effect for a term of ten (10) Ten years unless sooner terminated or extended for such further periods from time to time.
- e. The grant price of the RSUs under the Wipro Employee Restricted Stock Unit Plan 2007, shall be the face value of the share and the exercise period shall be as decided by the Administrator of the Stock Option Plans, being the Board Governance and Compensation Committee.
- f. The exercise period shall commence only after the completion of minimum vesting period of one year as per Plan.
- g. Unless otherwise stated, the exercise period will commence from the date of vesting and will be valid for such periods as specified at the time of grant which will be valid for a period of atleast one year to a maximum of five years from the date of vesting; Provided that with effect from April 1, 2007 the Exercise Period shall terminate at the end of two months and 15 days from the end of the financial year in which RSUs vested, in certain cases where the employee is rendering/rendered services outside India.
- h. The term of each RSU shall be stated in the RSU Agreement; provided, however, that the term shall be not more than the Term of the Plan.
- i. The maximum vesting period shall be 84 months from the date of grant and the Board Governance and Compensation Committee shall have the authority to decide the vesting periods within these minimum (One year) and maximum vesting periods (84 months) and such periods may differ from division to division within the company as may be decided by the Committee, from time to time.
- j. Fair market value means market price as defined by SEBI guidelines from time to time.
- k. The maximum quantum of Restricted Stock Unit per holder per year shall not exceed 10% of the total number of RSUs under the Plan. The total number of RSUs reserved for issuance under this Plan is 10,000,000.
- l. The Board Governance and Compensation Committee shall be authorised to determine the amount of withholding, deduction or recovery, if any, of such tax from the Optionee and also the modalities for recovery.
- m. The Restricted Stock Units granted under the Plan shall be exercisable at such times and under such conditions as determined by the Board Governance and Compensation Committee of the Board from time to time. The Restricted Stock Units shall be deemed exercised when the Company receives;
 1. Written or electronic notice of exercise from the person entitled to exercise the RSU.
 2. Full payment as per plan and agreement with respect to the RSUs exercised.

Restricted Stock Units will become exercisable in part or whole. The unexercised portion of the Restricted Stock Units will continue to be available to the holder or the nominee, in case of specified circumstances such as death, disability, etc., as per the Plan, and up to predetermined exercise periods.

n. The appraisal process includes evaluation of an employee based on the following criteria for determining eligibility of the employees to be granted Restricted Stock Units;

1. Work related or academic performance of the employee.
2. Potential and Criticality of the employee to the role.
3. Performance of the employee measured in terms of business results, processes, or customer satisfaction.
4. Such other criteria as may be determined by Board governance and Compensation Committee from time to time.

Company shall use one of the applicable methods (intrinsic value or fair value) to value its RSUs.

o. In case the Company calculates the employee compensation cost using the intrinsic value of the RSUs, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value of the

options, shall be disclosed in the Directors' report and also impact of this difference on profits and on EPS of the Company shall also be disclosed in the Directors' report.

- p. In the context of the above, the Company shall conform to the accounting policies specified by SEBI as per the SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 from time to time.
- q. In case the RSU is made available to the Directors of the Company (other than promoter Directors), then such Directors may be deemed to be interested in this item of business.
