NASSCOM Recognizes Wipro with Engineering & Innovation Excellence Awards

New York, USA and Bangalore, India – August 19, 2021: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, won two awards at the inaugural Engineering Innovation and Excellence Awards organized by the National Association of Software and Service Companies (NASSCOM). Wipro was named the Engineering, Research and Development (ER&D) Organization of the Year, and also recognized with the Service Delivery Excellence of the Year award for Automotive Infotainment.

These awards reflect Wipro's market leadership in the ER&D and Service Delivery domain, and the company's commitment to fostering innovation, solving business challenges and delivering value to clients worldwide.

Siva Polimetla, Head - ER&D, NASSCOM said, "Wipro's continuous investments in innovation, technology, and talent enables them to offer a complete spectrum of ER&D services and superior delivery outcomes. These aspects are critical to helping clients achieve success. These awards rightfully recognize Wipro's expertise and ability to steer transformative engagements."

Harmeet Chauhan, Senior Vice President - Engineering and R&D Services, Wipro Limited said, "At Wipro, we leverage our EngineeringNXT platform of offerings and diverse services to bring agility and accelerated pace of innovation to create value for our clients and prime them for success in their marketplace. These awards bear testimony to our engineering DNA and are a recognition of Wipro as a trusted Engineering and R&D services partner for digital transformation."

NASSCOM's prestigious awards recognize Indian ER&D leaders who have developed innovative breakthrough solutions that disrupt their respective industries by driving continued evolution and change.

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. sony.shetty@wipro.com**Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
