Wipro Appoints Subha Tatavarti as Chief Technology Officer

New York, USA and Bangalore, India – April 7, 2021: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company today announced the appointment of Subha Tatavarti as Chief Technology Officer.

Tatavarti will lead Wipro's Service Transformation, Topcoder, Robotics, SVIC, Technovation Centre, Open Innovation and Applied Research teams. Tatavarti joins Wipro from Walmart, where she led product, technology development and commercialization of Enterprise Infrastructure along with Security, Data Science and Edge platforms.

"I warmly welcome Subha to Wipro. A true champion of digital innovation, Subha will work across our technology spectrum, and help our customers meet the complex demands of the modern enterprise," said **Thierry Delaporte, CEO & Managing Director, Wipro Limited.**

"It is an honor to join the distinguished team of professionals at Wipro and I look forward to collaborating with them as we create bespoke solutions for clients. I am excited to be a part of Wipro as it continues to grow and expand," said **Tatavarti.**

Tatavarti has over two decades of experience in Technology, spanning across product development, delivery, lifecycle management, cloud computing services, data technology and analytics. Prior to Walmart, Tatavarti led the Product, Data & Infrastructure Platform at PAYPAL. Her focus there was to drive transformation through scalable, API-driven interoperable platforms. Her portfolio of products included Machine Learning/ Artificial Intelligence (ML/AI) platforms powered by Notebooks, Data Integration platform, Data Catalog and Data ALM. She was instrumental in simplifying the data and analytics infrastructure, besides pioneering modernization initiatives across cloud, developer platforms and frameworks.

Her earlier career experience included building solutions across large enterprises including Abbott Labs, Fannie Mae and Bearing Point.

Tatavarti holds a Masters in Computer Science and lives in the Bay Area in San Francisco, USA.

Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
