Wipro awarded Citrix Worldwide and Northern European GSI Partner of the Year 2021

Recognition for Wipro's robust performance and focused partnership at the Citrix Field Kick-Off 2022

Bangalore, India – February 22, 2022: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, received two awards from Citrix Systems, Inc. – 'Worldwide GSI Partner of the Year 2021' and 'Northern European GSI Partner of the Year 2021' at the Citrix Annual Field Kick-Off Event 2022.

The Worldwide GSI Partner of the Year award is a recognition of Wipro's strong partner ecosystem and the company's commitment to customer excellence, continued strong performance, focus on growth, and dedication to mutual goals and business objectives. The Northern European GSI Partner of the Year is an acknowledgement of Wipro's ability to drive higher cloud adoption & consumption, alignment to the Citrix priorities in increased desktop virtualization, digital transformation, and managing the shift to subscription-based business model with enterprise customers.

"At Citrix, we're delivering the future of work today. But we aren't doing it alone," said Michelle Senecal de Fonseca, VP Global Strategic Partnerships, Citrix. "Our partner ecosystem is among the most powerful in the industry and we are pleased to recognize Wipro for their excellence in delivering solutions and services that help companies accelerate their digital transformations and power a better way to work."

"Wipro has been a driving force in collaborating with Citrix on the delivery of transformative and innovative solutions. We are delighted to win these two awards at the Citrix Annual Field Kick-off event. We look forward to working with Citrix teams across large VDI and digital transformation implementations in the time to come," said Satish Y, Vice President & Head - Cloud & Infrastructure Service, Wipro Limited.

About Wipro Limited

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
