Wipro collaborates with AWS to extend DevOps capabilities

Solutions such as Digital Rig will help enterprises drive agile development to support new ways of working

East Brunswick, New Jersey, USA and Bangalore, India – June 09, 2020: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced an expansion of its global strategic relationship with Amazon Web Services(AWS) in the area of DevOps. As a part of this alliance, both companies will collaborate to help global organizations leverage the benefits of automation, effective monitoring and rapid deployment leveraging DevOps.

Wipro's marquee offering for end-to-end DevSecOps, Digital Rig, accelerates digital innovation and delivery through self-service while complying with federated and automated governance. Delivered from the 'Wipro AWS Launch Pad' and aligned with Wipro's agile anywhere approach, Digital Rig supports new ways of working in the current COVID-19 environment leveraging AWS Cloud. Organizations can benefit from its established methodologies and frameworks, which cater to the entire DevOps engagement lifecycle by defining and managing DevOps as a code.

Wipro recently attained the AWS DevOps competency status, which further reinforces the company's commitment to help drive agile development for enterprises. The AWS DevOps Competency distinguishes Wipro, which is an AWS Partner Network (APN) member, as a specialist with demonstrated technical proficiency and proven customer success in delivering DevOps processes, methodologies, and tools.

David Jones, Group Chief Digital Officer, John Swire & Sons said, "Working with Wipro gave us access to skilled DevOps consultants. We were impressed to see the expertise in action at the Wipro AWS Launch Pad and look forward to Wipro enhancing this capability further."

Dr. Manish Govil, General Manager and Global Head - AWS Practice, Wipro Limited said, "Wipro is a trusted APN (AWS Partner Network) premier consulting partner. We have added value to our joint customers by delivering DevOps solutions with agility and speed. The AWS DevOps distinction awarded to Wipro reaffirms our dedication to technical excellence, the breadth of our services, and the pace of innovation that AWS provides."

About Wipro Limited

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
