## **Wipro Joins o9 Solutions' Global Partner Network to Transform and Digitize Global Supply Chains**

**New York, USA and Bangalore, India - February 23, 2022:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has joined the global partnership network of o9 Solutions, a leading enterprise AI software platform provider for transforming planning and decision-making.

The partnership combines o9 Solutions' demand management, sales and operations/business planning suite with Wipro's integrated digital and domain expertise. o9 Solutions' AI-powered, insights-based planning capabilities will also enhance Wipro's existing supply chain capabilities, helping global companies effectively manage end-to-end supply chain functions and deliver significant business values. For Consumer Packed Goods, retail and manufacturing customers, o9 Solutions and Wipro bring industry specific capabilities for integrated business planning, demand planning, supply planning, sales and operations planning.

"This partnership enables companies to rapidly transform complex supply chains and eliminate the inefficiencies of long-standing supply chain solutions, by digitizing their integrated planning and operations management capabilities," said **Gopi Krishnan, Vice President and Managing Partner - Consumer Domain & Consulting, Wipro Limited**. "Using our combined services, global enterprises across geographies and sectors can accelerate the time to value of their digital transformation."

"We are excited about our partnership with Wipro Limited, with its proven track record in helping clients adapt to a quickly changing world using technology," said **Igor Rikalo, President and Chief Operation Officer, o9 Solutions**. "We look forward to working together and providing value to all of our clients by optimizing their supply chains."

### **About Wipro Limited**

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics, and emerging technologies to help our clients adapt to the digital world and make them successful. A company recognized globally for its comprehensive portfolio of services, strong commitment to sustainability and good corporate citizenship, we have over 220,000 dedicated employees serving clients across six continents. Together, we discover ideas and connect the dots to build a better and a bold new future.

### **About o9 Solutions**

o9 Solutions is a leading AI-powered platform for integrated business planning and decision-making for the enterprise. Whether it is driving demand, aligning demand and supply, or

optimizing commercial initiatives, any planning process can be made faster and smarter with o9's AI-powered digital solutions. Bringing together technology innovations—such as graph-based enterprise modelling, big data analytics, advanced algorithms for scenario planning, collaborative portals, easy-to-use interfaces and cloud-based delivery—into one platform. **Forward-Looking Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
