## **Wipro Limited recognized as the winner of Data Estate Modernization 2020 Microsoft Partner of the Year**

**Redmond, Washington, USA and Bengaluru, India – August 13, 2020:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced it has won the Data Estate Modernization 2020 Microsoft Partner of the Year Award. The company was honoured among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

**Jayant Prabhu, Vice President and Global Head, Data, Analytics and AI, Wipro Limited** said, “It is a great honour to be recognized as Microsoft’s Partner of the Year for Data Estate Modernization. Transforming data estates to be nimble and agile is a critical step for an organization to be an Intelligent Enterprise. Powering superior AI-driven experiences requires enterprises to leverage open source technologies in their cloud transformation journey to provide cutting edge solutions to their customers. Wipro's experience in transforming the data landscape coupled with Microsoft's leadership in providing cloud platform is helping organizations in various industries accelerate their Cloud journey. Our automated database migration solution from On Premise to Open Source on Cloud will accelerate customer’s transformation into an Intelligent Enterprise.”

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year. Awards were classified in to several categories, and honorees chosen from a set of more than 3,300 submitted nominations from more than 100 countries worldwide. Wipro was recognized for providing outstanding solutions and services in Data Estate Modernization.

The Data Estate Modernization award was presented to Wipro for the successful migration of legacy on-premise databases to Open Source databases on Azure using Wipro proprietary tools such as wOraPG and Data Reconcillator for a Swiss customer.

“It is an honour to recognize the winners and finalists of the 2020 Microsoft Partner of the Year Awards,” said **Gavriella Schuster, corporate vice president, One Commercial Partner, Microsoft**. “These partners go above and beyond, delivering timely solutions that solve the complex challenges that businesses around the world face – from communicating and collaborating virtually to helping customers realize their full potential with Azure cloud services, and beyond. I am proud to honour and congratulate each winner and finalist.”

Wipro and Microsoft have been working together for more than two decades to help enterprises of the future to drive business acceleration, enhance customer experience and

provide connected insights. Wipro is aligned with Microsoft's cornerstone philosophy of digital transformation across business applications, modern workplace and intelligent cloud. Wipro launched its Microsoft Business Unit in March 2020, which focuses on the development and evangelization of solutions leveraging Microsoft's enterprise cloud services. Wipro has also adopted Azure Cloud for its own digital transformation journey.

### **Wipro Forward-looking and Cautionary Statements**

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers' ability or willingness to purchase our offerings, delay prospective customers' purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at

[www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
