## **Wipro named ADM Digital Transformation Partner of the Year 2020 by Micro Focus**

*Award underscores Wipro's success with joint customers and set of digital and  
Application Delivery Management solutions*

**Santa Clara, CA, USA and Bangalore, India, June 04, 2020:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, has been named ADM Digital Transformation Partner of the Year 2020 by the Micro Focus Application Delivery Management Group, at the Micro Focus Virtual Universe 2020 conference.

Wipro's end-to-end digital and cloud capabilities along with growth in its Micro Focus practice in the US and EMEA made it stand out to receive the "ADM Digital Transformation Partner of the Year" award.

Wipro is leading customers through their digital transformation journeys and leveraging Micro Focus Application Delivery Management (ADM) solutions. Wipro's strategic alliance with Micro Focus has resulted in numerous unique joint solutions to address Hybrid Cloud Management, Cyber Security, Enterprise DevOps, Agile Transformation and Mainframe Modernization. Together, Wipro and Micro Focus serve Fortune 1,000 clients across Banking, Financial Services, Manufacturing, Automotive, Telecom, Healthcare and Utility industries. Strong cultural alignment between Wipro and Micro Focus and their joint emphasis on new ways of working enable the two companies to partner effectively with customers.

**Raffi Margaliot, Senior Vice President, Application Delivery Management Group, Micro Focus,** said, "As organizations accelerate their Digital Transformations, especially in a post COVID-19 environment, there is greater emphasis on rapidly delivering software innovation. With over 20 years as strategic partners, Wipro and Micro Focus have successfully developed unique joint solutions that accelerate Enterprise DevOps and Agile transformations. It's no surprise that Wipro was awarded the ADM Digital Transformation Partner of the year."

**Rajan Kohli, President and Global Head of Wipro Digital,** said, "Wipro's investment in Wipro Digital, particularly in the areas of Application Modernization, Cloud Engineering, Agile Anywhere delivery model combined with DevSecOps enables us to partner with Micro Focus in a complimentary manner and help our clients accelerate their digital transformation, build resiliency and be more responsive towards changing customer demands."

## **About Wipro Limited**

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. ## **Forward-looking and Cautionary Statements**

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
