## **Wipro wins 'Oracle UK & Ireland Partner of the Year 2020' award in 'Customer Experience' category**

**East Brunswick, New Jersey, USA and Bangalore, India – July 21, 2020:** Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has won the 'Oracle UK & Ireland Partner of the Year 2020' award in 'Customer Experience' category.

The award by Oracle honours companies that employ Oracle technologies while demonstrating excellence in innovative solution development, sales and delivery in the UK and Ireland. Wipro was recognized for its outstanding contribution to sales, delivery and solution expertise in Oracle CX domain to drive digital transformation for customers.

**Javier Torres, Vice President, Alliances & Channels and ISV, EMEA and APAC, Oracle** said, "We congratulate Wipro on winning this award. Oracle's goal is to provide customers with innovative cloud-based applications that help them maintain business continuity and drive success. To meet this objective, Oracle works with partners, such as Wipro, that are at the forefront of helping customers use cloud technology. This achievement is a testament to Wipro's dedication and excellence in delivering cloud solutions to meet customers' business needs."

**Sankar Venkatraman, Vice President and Global Head, Oracle Service Line, Cloud Enterprise Platforms, Wipro Limited** said, "This award demonstrates Wipro's expertise and innovation in driving cloud transformation for Oracle customers. It further strengthens our position as one of the leading players in the Oracle ecosystem, as well as in the UK and Ireland regions."

Wipro and Oracle have been partners for more than 15 years, together developing customized solutions for clients and deploying future-ready systems that enhance business velocity. A member of Oracle PartnerNetwork (OPN), Wipro enables customers in Oracle's ecosystem to reimagine their digital transformation journey. Wipro's vision is to earn clients' trust by helping them achieve disruptive success in the digital marketplace.

### **About Oracle PartnerNetwork**

Oracle PartnerNetwork (OPN) is Oracle's partner program designed to enable partners to accelerate the transition to cloud and drive superior customer business outcomes. The OPN program allows partners to engage with Oracle through track(s) aligned to how they go to market: Cloud Build for partners that provide products or services built on or integrated with Oracle Cloud; Cloud Sell for partners that resell Oracle Cloud technology; Cloud Service for partners that implement, deploy and manage Oracle Cloud Services; and License & Hardware for partners that build, service or sell Oracle software licenses or hardware products. Customers can expedite their business objectives with OPN partners who have achieved Expertise in a product family or cloud service. To learn more visit: <http://www.oracle.com/partnernetwork>

## **Forward-looking and Cautionary Statements**

The forward-looking statements contained herein represent Wipro’s beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro’s control. Such statements include, but are not limited to, statements regarding Wipro’s growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry. The conditions caused by the COVID-19 pandemic could decrease technology spending, adversely affect demand for our products, affect the rate of customer spending and could adversely affect our customers’ ability or willingness to purchase our offerings, delay prospective customers’ purchasing decisions, adversely impact our ability to provide on-site consulting services and our inability to deliver our customers or delay the provisioning of our offerings, all of which could adversely affect our future sales, operating results and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at [www.sec.gov](http://www.sec.gov). We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company’s filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
