Incentive to Outsource / Offshore

- Capital conservation and operating expense reduction with quick payback period is the top most priority

- Stick to Core Competence – Enables organizations to manage their operations by outsourcing non-core business functions, streamlining processes, improving efficiencies and have lower total-cost of-ownership (TCO) without capital investments in application and infrastructure.

- Outsourcing helps in greater efficiency and productivity through use of frameworks and flexible delivery models

- Measurable payback period

- Large vendors with Deep Domain / Technology / Global Delivery Model best geared to service customer objectives

Product Engineering – a differentiated capability in Wipro
Incubated in our Telecom, Computing & Semiconductor business
Leaders in VLSI services

- Addressing new segments through this differentiated capability
- Lot of traction in Aerospace, Defense, Automotive, Healthcare, Retail and Energy & Utilities
- Electronics is becoming a big proportion of manufacturing and design spend of customers – Untapped opportunity. Able to address this spend through our PES capabilities
Innovative Offerings – Performance And Capital Efficiency – “PACE”

A set of service offerings from Wipro to address key requirements of companies in this downturn – Capex and Opex reduction

- Companies are going slow on capital expenditure to conserve cash in order to withstand the global economic slowdown.
- Need to look at options to help our clients in maintaining a balance between business priorities and capital conservation.
- Reduction in capex without reducing operating expenses substantially will increase sustainability.
- Introduction of SaaS helps in shifting the responsibility into the contract for external services.

Performance Highlights

Strength of our Balance Sheet

- Our cash balance net of debt has increased from Rs.6,935 million ($148 million) as of 30th Sep 2008 to Rs.10,728 million ($221 million) as of 31st Dec 2008.
- We generated Free Cash Flow of Rs.5,850 million ($120 million) in the current quarter.
- On the whole, we are a high margin business with strong ability to generate cash flows and we are very comfortable on the strength of our Balance Sheet.
Performance Highlights
Corporate Governance

• Wipro has been a listed company since 1946 and has an excellent track-record of corporate governance and integrity.
• Over the years we have proactively adopted governance & disclosure standards long before they became mandatory – be it segment-wise & consolidated results in 1985 or voluntary compliance with SOX 302 certification requirement in 2002.
• Additionally, in 1998 we were the first internal audit function in India to get ISO 9002 certified.
• Since 2004 we have maintained SVG 1 (highest) rating by ICRA (an Associate of Moody’s in India) on Shareholder Value Creation & Governance.
• We have constantly improved our disclosures over time and during this quarter, we also provided bank balances and investments by Banks and Mutual Funds.
• Our cash & bank balances, investments, fixed deposits, borrowings, certificate of deposits & derivative transactions have been directly confirmed by external auditors with third parties directly.
Performance Highlights
Our Non IT business

**Wipro Consumer Care and Lighting (WCCL)**

- For the quarter, WCCL recorded Revenues of Rs. 5.3Bn, a growth of 21% YoY and PBIT of Rs. 613Mn, a growth of 17% YoY
- Unza continued to see good underlying value growth in all markets, with growth rates ahead of GDP growth rates of economies we operate in
- SANTOOR maintains its No. 3 position Brand in Toilet Soap category in India, in value terms. Grows ahead of industry, in both volume & value terms
- Launched Premium range of Office furniture. India's first leg and beam based system. We filed three patents

**Wipro Infrastructure Engineering (WIN)**

- Wipro Infrastructure Engineering has been impacted by the sharp global slowdown in investment in multiple sectors, driven by the credit crunch and economic uncertainty
- The fundamentals of the sectors remain intact. Infrastructure is the key sector being targeted across India, China and US for revival of the economies
- We continue to invest with focus on increasing our global market share organically and inorganically
