- Americas 53%
- Europe 26%
- APAC and OEM 11%
- I&ME 10%
- I&ME-India & Middle-East
- APAC-Asia Pacific
- OEM-Other Emerging Markets

Revenue well-diversified across verticals, service line & geographies

The distribution percentages have been calculated based on FY18 USD revenues for the Business Unit/ Service line/ Geography
Overall market opportunity
Global market size

India’s offshore IT and BPO exports ($ Billion)

CAGR 16%

• Long Term Fundamentals of the India offshoring story remain intact
• Offshoring market is expected to grow at a 15% CAGR for the next eight years
• Revenues from Digital technologies are expected to represent 23% and 38% share by 2020 and 2025

Our strategy
Themes to win: Change: Driving the ‘Future’

Digital

- Advisory, Design & technology
  - Appirio and Designit integrated well with our digital unit and the Joint GTM is helping in securing synergy deals
- Transformative end-user experience
  - Have 18 global digital pods; More than 90,000 technical employees trained on digital skills
  - Digital grew 27.3% in FY’18. Stands at 26.7% of our overall revenues in Q4’18
- Training Workforce in Digital
  - Consulting grew 26.0% in FY’18. Stands at 6.6% of our overall revenues in Q4’18

Non-Linearity

- Investments in IP
  - Focus on core suite of IP assets including product (eg. Promax), platform (eg, ServiceNXT), solution (eg. Managed File Transfer) & tool (eg. RPA)
- Target incremental revenue led by IP
  - HOLMES™ for Business is focused on building verticalized solutions. Eg: use cases in areas such as compliance, onboarding, customer service, supply chain & anomaly detection
- Wipro HOLMES
  - We have filed over 2000 patents including many on HOLMES™ and Blockchain

World class Ecosystem

- M&A and Wipro Ventures
  - M&A: Acquired 6 companies - Designit, Cellent, HealthPlan Services, Appirio, Infoserver and Cooper since 2015
  - Ventures has 13 minority investments. Multiple commercial GTM engagements with our portfolio companies
  - Academia Partnerships: Our focus is to work with academic institutions and associations in the United States, Europe, Israel and India in the fields of computer and electrical engineering
  - Horizon Program: 19 themes funded in FY’18. Investing in AI, cloud computing, cybersecurity, digital experience, digital marketing & commerce, Industry 4.0, Blockchain and Software Defined everything
  - Crowdsourcing: Innovators in building crowdsourcing delivery models to serve enterprise customers
  - New Age Ecosystem: We have formed a fresh group tasked with creating solutions, platforms and offerings for these customers in the areas of digital, cloud, analytics, cybersecurity and BPaaS, amongst others

- Alliances & Academia
- Strategic partnerships
- Horizon Intrapreneurship
Themes to win: Run: Modernize the ‘Core’

**Integrated Services**

- **Solve business problem as-a-service rather than offer à la carte services**
- Traction with integrated services offerings to synergize domain knowledge with end-to-end solutions from multiple services like Apps, Infra & Analytics to solve customer problems and enhance client mining
- An example is a KYC process hosted within Wipro environment with client data, client onboarding platform and HOLMES™ eKYC solution being hosted in Wipro data center with BPS delivery from multiple locations

**Hyper Automation**

- **Increase Automation; de-skill task**
- **Focus on automation**
- **Robotic Process Automation**
- **Cognitive Intelligence**
- Hyper automation is initiative to drive robotic process automation (RPA) and Cognitive Intelligence drastically changing traditional IT delivery model
- Dedicated integrated unit – Wipro HOLMES™ to drive hyper-automation across IT & Business operations
- In FY18, generated productivity worth 8,000 persons from automation-led productivity gains. Released employees are being trained & redeployed into newer technologies
- Wipro has been chosen by a leading North American healthcare technology company as their strategic partner. We are leveraging our Wipro HOLMES™ platform to implement digital solutions harnessing the power of cognitive computing, machine learning and hyper-automation

**Localization**

- **Setting up local delivery centers**
- **Acquisitions**
- **Diversification of Workforce**
- More than 55% of U.S. workforce is local
- More than 75% of our APAC employees are local. In Latin America, almost all our employees are local
- Focus on key markets such as Continental Europe, Latin America and Middle-East
Winning together with strategic alliances

Wipro's WINNING TOGETHER approach is all about driving joint Go to Market initiatives in partnership with Strategic Alliances and help customers Do Business Better.

Wipro Strategic Alliances community helps in creating winning partnerships which offers mutual business growth opportunities, joint value driven by collaboration, executive commitment and thought leadership around future technologies.
