

83,000 take part in Wipro global run

Bengaluru: Over 83,000 people took part in the 'Spirit of Wipro Run 2016', the running event organized globally on Sunday. From Bengaluru to Boston and Sydney to Stockholm, thousands of employees of Wipro and their families, friends and others took part in the event in different parts of the world.

Abidali Z Neemuchwala, chief executive officer and member of the board, Wipro, said distance running is an expression of grit, determination and focus. "This aligns closely with our ethos and core values. It was encouraging to see thousands of enthusiastic participants coming together to make the 2016 run a huge success," he added.

In India, the run was held at 16 cities, including Bengaluru, Chennai, Delhi and in 13 other cities. TNN
