

Wipro's Human Experience Management with SAP SuccessFactors and Qualtrics

Enhance the employee experience to foster productivity and organizational agility

People are at the heart of any business transformation. Organizational transformation requires a knowledge shift and the right skills, but also a culture that ensures people inside and out are at the core of the success story.

Wipro's Human Experience Management (HXM) services help organizations embrace digital transformation with confidence and write their next chapter of human-centered success. Wipro's HXM provides a balanced package of solutions driven by SAP SuccessFactors, Qualtrics and powered by decades of expertise in HR processes and technology transformations.

HXM empowers companies to drive human-centered success in a connected, integrated and consistent way.
