

A background image of a man with a beard and short brown hair, wearing a light blue denim shirt, sitting at a wooden table in a cafe. He is smiling and looking at a laptop. A glass of coffee is on the table next to the laptop. The background is a bright, out-of-focus cafe interior with large windows.

Qualtrics based Employee Wellness Assessment

Assess workforce wellbeing to manage business continuity

While organizations shift to a new way of working and adopt the work-from-home model as a fallout of the global pandemic, they also require a concrete mechanism to monitor the well-being of their employees, assess productivity and take necessary actions to ensure business continuity. Wipro's Qualtrics based Employee Wellness Assessment offering helps organizations with an out-of-the-box feedback solution that helps in monitoring the pulse of the workforce.
