

Quick amendments to contracts QAC solution

Auto inclusion and regeneration of contracts with improvised clauses and approvals

Wipro collaborates with Apttus to offer a one-step solution to facilitate amendments to existing contracts with a new law or clause that may come into effect due to the current COVID-19 crisis. This solution can address contracts on the buy-side and sell-side, as well as other business requirements such as employment, intellectual property, real estate, and more.

Complete visibility and control on COVID-19 affected contracts over regeneration cycle in just 6 weeks.

Key takeaways

-  Force majeure clause related amendments
-  Auto inclusion of pandemic clause and timelines clauses
-  Termination clause amendment in a crisis situation
-  Faster approvals for Covid-19 affected contracts

Key benefits

The solution helps to streamline sales, standardize terms, increase efficiency, and eliminate risk in compliance across the organization.

It also addresses the following challenges in a contract amendment process related to COVID-19 needs:

-  Clauses availability issues
-  Inclusion of pandemic clause which may not be readily available
-  Contingency and extension of time clauses not included in original contracts
-  Termination clause amendment in a crisis situation
-  Unavailability of approvals

Features

-  Contract request and collaboration
-  Contract generation/regeneration
-  Approvals and workflows
-  Contract negotiation and execution
-  Obligation management
-  Reporting and analytics
-  Platform, security and administration

Reduction in contract regeneration cycle time
