INNOVATION TO MARKET FASTER WITH CLOUD CRM

Wipro enabled CRM transformation for a large electronics conglomerate in 17 markets across 52 countries with salesforce.com

CLIENT BACKGROUND

The client is a leading engineering and consumer electronics conglomerate based in Europe, with over 122,000 employees and operations in more than 100 countries.

INDUSTRY LANDSCAPE

Most industries adopt an end-to-end value chain approach which includes three core processes areas - Idea-to-market, Market-to-order and Order-to-cash. Manufacturers are facing unprecedented challenges in designing the right customer value chains and delivering on time in a highly competitive environment. Moreover, changing demographics, R&D pipeline productivity and evolving business models selling processes have compelled leading enterprises to embrace CRM for a complete process transformation.

OPPORTUNITY

The client had disparate systems across the 'Market-to-order' (M2O) process area leading to longer cycle times and process redundancy. Sales representatives did not have visibility across the entire sales process. The client needed to implement a unified CRM solution, with standardized sales tools and processes, aligned to their vision of customer centricity and enhance sales efficiency across all three divisions globally.

BUSINESS IMPACT

- 
10% improved forecasting accuracy
 - through a **consolidated view** of all account activities
- 
5% increase in overall process efficiency - leveraging the best practices
- 
Sell more to existing customers – by improving visibility into account history and transactions
- 
Reduced IT costs – by phasing out legacy systems such as **U7** and **Siebel**
- 
Acquired new profitable customers - through **improved pipeline visibility** and **lead management**

SOLUTION

Wipro enabled the client to streamline their “Market-to-order” process using Salesforce CRM and brought together their three divisions under a single, unified SaaS CRM eco-system. The solution highlights include:

- ◆ Global Template to optimize and standardize processes in 17 client markets across 52 countries
- ◆ 360° customer view, across sectors and markets, to enhance up-sell/cross-sell opportunities
- ◆ Harmonized sales processes for account management, and lead and opportunity management
- ◆ Strategic account planning and roadmap for key client accounts
- ◆ Localized Vs. Global visibility for different markets as per their need
- ◆ M2O Excellence Network of BPO/BPEs to build and continuously improve commercial capabilities

Wipro helped achieve the client's vision of a connected ecosystem of products and services, by transforming their global sales processes on salesforce.com and enabling them to connect with customers better
