

NetOxygen Multichannel LOS on SaaS

Bringing best in class lending
technology via a SaaS model
to fast growing lenders

NetOxygen SaaS Platform leverages the proven NetOxygen solution, chosen by top US lenders for over 25 years. It enables lenders to improve end-to-end loan origination with disruptive technologies while reducing cost of operation with straight through processing.

Feature-rich, configurable loan origination system for superior lending experience

Enhanced borrower experience portal for seamless interaction with borrowers from any channel (branch, internet, mobile) both during application intake and after submission.

Enable straight through processing, hyper-automate processes, redefine operations and reimagine customer journeys with NetOxygen.

Offered either as a technology only SaaS option or a BPaaS model with the option of licensed fulfillment services.

Key Benefits

- Reduces error rates significantly with streamlined workflows and data validation checks to ensure a complete application, upfront
- Offers Launchpad POS for both borrowers and loan officers to deliver a digital experience, both pre-app and post-app, thereby minimizing cycle time and facilitating a seamless experience
- Reduces origination costs while boosting production efficiency through automation

Features

Supports construction lending for one close, multiple close, Homestyle® renovation and FHA construction.

Hosted on Microsoft Azure for maximum security and availability. Both multi-tenant and dedicated hosting options are available.

Allows lenders to implement distinct flows based on organizational structure. Advanced analytics supporting configurable reports, dashboards, and data analysis.

Get on-boarded quickly and start originating fully compliant loans with NetOxygen SaaS

Built-in compliance checks for HPML, HOEPA, Section 32, Reg B, HMDA, and other federal regulations.

Comprehensive product coverage including support of mortgage products (agency, portfolio, and non-QM), specialty products such as construction and 203K, home equity loans, HELOCs, Consumer loans (Auto, Boat, RV) and unsecured credit lines, using a single platform.
