

About Wipro

Wipro Limited is a leading technology services and consulting company focused on building innovative solutions that address clients' most complex digital transformation needs. Leveraging our holistic portfolio of capabilities in consulting, design, engineering, and operations, we help clients realize their boldest ambitions and build future-ready, sustainable businesses.

With over 240,000 employees and business partners across 66 countries, we deliver on the promise of helping our customers, colleagues, and communities thrive in an ever-changing world.

We began our business as a vegetable oil manufacturer in 1945 at Amalner, a small town in Western India and thereafter forayed into soaps and other consumer care products. During the early 1980s, we entered the Indian IT industry by manufacturing and selling minicomputers. In the 1990s, we leveraged our hardware R&D design and software development expertise and began offering software services to global clients. In 2013, we demerged the non-IT diversified businesses. With a track record of over 30 years in IT Services, we are, today, focused entirely on the global Information Technology business. Wipro is listed on National Stock Exchange of India Limited and BSE Limited in India and New York Stock Exchange in the US.

Our values

Our values encapsulate the Spirit of Wipro, which lies at our core. It is about who we are. It makes up our character and is reflected consistently in all our behaviour. The Spirit is deeply rooted in the unchanging essence of Wipro. It also embraces what we must aspire to be. It is the indivisible synthesis of our four values.

The Spirit is our beacon. It is what gives us direction and a clear sense of purpose. It energizes us and is the touchstone for all that we do.

Be passionate about clients' success

We succeed when we make our clients successful. We collaborate to sharpen our insights and amplify this success. We execute with excellence. Always.

Treat each person with respect

We treat every human being with respect. We nurture an open environment where people are encouraged to learn, share and grow. We embrace diversity of thought, of cultures, and of people.

While our company has transformed many times over the years, the Spirit of Wipro and our core values, have remained constant. We have introduced the 'Five Habits' which are our values in action:

Being respectful

Being responsive

Always communicating

Demonstrating stewardship

Building trust

Be global and responsible

We will be global in our thinking and our actions. We are responsible citizens of the world. We are energized by the deep connectedness between people, ideas, communities and the environment.

Unyielding integrity in everything we do

Integrity is our core and is the basis of everything. It is about following the law, but it's more. It is about delivering on our commitments. It is about honesty and fairness in action. It is about being ethical beyond any doubt, in the toughest of circumstances.
