## What Drives Us

Our values encompass the Spirit of Wipro. The Spirit is profoundly ingrained in Wipro's unchanging ethos. It shapes our personality and is evident in all our actions. It also encapsulates what we strive to be. It is the unbreakable union of our four ideals:

### SPIRIT OF WIPRO

These values are our bedrock. They define and make us. Our character and destinies are energized by our values

#### Be passionate about clients' success

We succeed when we make our clients successful. We collaborate to sharpen our insights and amplify this success. We execute with excellence. Always.

#### Treat each person with respect

We treat every human being with respect. We nurture an open environment where people are encouraged to learn, share and grow. We embrace diversity of thought, of cultures, and of people.

#### Be global and responsible

We will be global in our thinking and our actions. We are responsible citizens of the world. We are energized by the deep connectedness between people, ideas, communities and the environment.

#### Unyielding integrity in everything we do

Integrity is our core and is the basis of everything. It is about following the law, but it's more. It is about delivering on our commitments. It is about honesty and fairness in action. It is about being ethical beyond any doubt, in the toughest of circumstances.

### FIVE HABITS

When our behaviors and ways of working consistently reflect our values, we see the five habits in action.

#### Being respectful

#### Being responsive

#### Always communicating

#### Demonstrating stewardship

#### Building trust
